June 2018

Dear Fourth Grade Parents,

With the school year coming to a close, we would like to take this opportunity to wish you a wonderful summer. We look forward to meeting you and working with your child in September.

Fourth grade is a challenging and exciting year. In addition to reading, writing, mathematics, and science, we will be focusing on many social studies units pertaining to the history of New York, such as Colonial America.

In order to take advantage of school supplies sales this summer, below is a basic list of school supplies that each student will need. Please send in essential supplies with an **asterisk (*)** on **Sept. 5th** and all other supplies can be **gradually** brought in during **the week of Sept. 10th**. We look forward to meeting and collaborating with you to make your child's academic year a success. Thank you for your cooperation.

Respectfully,
Fourth Grade Teachers
